WHERE WE DID IT

Our relief operations were conducted in the fire-affected areas, specifically Sonaichari union in Sitakunda upazila, which bore the brunt of the tragedy. We focused our efforts on reaching out to the affected communities in this region, ensuring that our support reached those who needed it the most.

WHEN WE DID

Our humanitarian support efforts began immediately after the Sitakunda fire incident on 4, June 2022. We understood the urgency of the situation and acted swiftly to provide assistance to those affected.

WHY WE DID

The Sitakunda industrial fire had a profound and devastating impact on numerous individuals and communities. Many of the affected individuals were from low-income backgrounds, making it incredibly challenging for them to afford the necessary medical treatment. Furthermore, a significant number of them were the sole breadwinners for their families, leaving them in dire financial circumstances without any support.

In light of this critical situation, we felt compelled to take action and extend our assistance. We provided essential cash aid to facilitate their access to proper medical care and offered additional support to address their pressing needs. Additionally, we stood in solidarity with the families who tragically lost their loved ones, expressing our deepest condolences and providing assistance to help them rebuild their lives and attain self-sufficiency. Our initiatives were driven by our commitment to alleviate their suffering and contribute to their long-term well-being.

EMERGENCY RESCUE EFFORT AND MEDICAL SUPPORT

In response to the Sitakunda fire tragedy, our local volunteer-based Emergency Rescue Team was formed. We collaborated with partner organizations and other volunteers to swiftly distribute essential relief items such as food, water, clothing, and hygiene kits. Our medical teams provided emergency care to the injured and traumatized, ensuring their transportation to hospitals for further treatment. Additionally, we extended emotional support and financial assistance to the families who lost loved ones. Our collective efforts aimed to address immediate needs and provide holistic support during this challenging time.

VICTIM FAMILY REHABILITATION

We focused was on rehabilitating families who tragically lost their loved ones in fire incidents. We provided emotional support and financial assistance to those who lost loved ones. We also helped one family start a small business and supported another two family with livestock and Sewing Machines. Our goal was to empower these families and create sustainable income opportunities for them.

OUR PRESIDENT'S VISIT OVERVIEW

Our president's personally visited the injured fire victims in the hospital, inquiring about their well-being and providing financial assistance for their proper treatment and other support. Additionally, he visited the families of those who lost their lives, expressing his condolences and providing assistance to help them become self-sufficient. President's hands-on approach demonstrated his commitment to alleviating the suffering of the affected individuals and promoting their recovery and resilience.

CASH ASSISTANCE

We responded promptly by providing immediate cash assistance to 32 affected individuals, families who tragically lost their loved ones in fire incidents ranging from 15,000 to 50,000 BDT. Our primary objective was to support their treatment and rehabilitation, easing their financial burdens and aiding in their recovery process. Through these efforts, we aimed to contribute to their overall well-being and facilitate their journey towards restoration.
