LETTER FROM THE PRESIDENT

Dear esteemed friends, donors, volunteers & well-wishers,

Peace Be Upon You All

With immense gratitude and a sense of accomplishment that I extend my heartfelt appreciation for your unwavering support of **Projects for Humanity (P4H)**. I am delighted to present to you our annual report, a testament to our commitment to transparency and the impactful work that your generosity makes possible.

In the dynamic landscape of humanitarian aid, where challenges persist and crises emerge, P4H has taken strides to make a difference. In 2022, Bangladesh faced an array of challenges, from escalating prices of daily necessities to the devastating Sitakundu fire. In response to these challenges, we acted swiftly to address the immediate needs of the affected communities.

Our rapid **emergency response** to the **Sylhet flood, Sitakundu and Nilkhet Fire** incidents, provision of **financial aid for rehabilitation**, monthly **medical camps** in rural areas, distribution of **food baskets** during Ramadan, and initiatives like offering **Eid gifts** and **Qurbani meat** to the underprivileged underscore our commitment to providing immediate relief. Moreover, we are dedicated to the sustainable development of individuals, particularly focusing on **empowering underprivileged** and **orphan children** through **educational support**.

P4H has reached a significant milestone in 2022, with revenue surging by over **200%** compared to the previous year. This remarkable achievement is a result of the invaluable support from donors like you and the dedicated efforts of the P4H team. Your continued support has been instrumental in expanding our reach, strengthening programs, and ensuring maximum impact in the communities we serve.

As part of our commitment to transparency, we are pleased to offer open access to our information. For inquiries about our programs, please feel free to reach out to our Programs Manager, Syed Zia Uddin, at programs@projects4humanity.org. Additionally, for any questions or concerns related to past or future donations, please contact our Donor Relations Manager, Rozina Rashed, at RRashed@projects4humanity.org.

Once again I extend my sincere thanks for your support and invite you to take pride in the positive change you are contributing to through Projects for Humanity. Together, we are making a difference in the lives of those in need.

With gratitude,

Md Monirul Islam
President

FOOD ITEMS DISTRIBUTED

30 Kg
FOOD/ FAMILY DELIVERED

The Ramadan Food Basket Project provided essential sustenance to the extra marginalized, ensuring meals throughout the holy month.

By distributing thoughtfully curated food baskets, the initiative aimed to bring happy meals to the community and compassion during this sacred time.

Why we did it? _____

In the sacred month of Ramadan, people grappling with poverty frequently encounter challenges in securing nourishing Sehri and Iftar meals. Fasting and working under limited resources become a daunting challenge for them.

P4H is unwavering in its dedication to giving precedence to the dissemination of Ramadan blessings among the less fortunate through focused initiatives. Our pursuits are directed towards realizing this objective, aiming for positive outcomes that resonate both at an individual level and within communities.

87
QURBANI PERFORMED

During the Muslim celebration of Eid al-Adha, we distributed fresh meat to extremely vulnerable families in selected locations across Bangladesh, including the Rohingya Refugee Camp in Cox's Bazar through the provision of Qurbani meat.

Accomplishment

We slaughtered 10 Cow and 17 goat on Eid-ul-Azha 2022. Our volunteers diligently carried out the task of slaughtering the animals, carefully packaging the meat, and distributing it to those in need. Our mission was to enable them to celebrate Eid, just like us, and provide nourishment to their children by sharing the gift of meat.

Complete Orphan Care Centre provides

- ▶ Education
- ▶ Accommodation
- ▶ Food and Nutrition
- ▶ Health Care
- ▶ Other basic Needs

How we do it?

We provide two types of services for orphans, Complete Orphan Care and Orphan Scholarship. Through the implementation of our Complete Orphan Care program, we have made significant strides in providing comprehensive 24/7 support to orphaned children.

Our residential facilities offer them a safe and secure home environment, while our state-of-the-art educational facility ensures they receive a well-rounded education encompassing both modern and religious teachings.

And through the Orphan Scholarship Program, we want to ensure that no matter where he is in Bangladesh, his studies or dreams are not hindered by the financial crisis.

Our mission is to change this narrative and ensure that orphaned children receive the care, education, and facilities they need to nurture their aspirations.

DISASTER RELIEF

SITAKUNDA FIRE

What we did

\$15,000
TOTAL SPENT

75
FIRE VICTIMS COVERED

45
FAMILIES WERE REHABILITATED

We provided

- ▶ Emergency Rescue Support
- ▶ Medical Support
- ▶ Cash Incentive
- ▶ Family Rehabilitation

Why we did it?

The Sitakunda industrial fire had a profound and devastating impact on numerous individuals and communities. Many of the affected individuals were from low-income backgrounds, making it incredibly challenging for them to afford the necessary medical treatment. Furthermore, a significant number of them were the sole breadwinners for their families, leaving them in dire financial circumstances without any support.

We provided essential cash aid to facilitate their access to proper medical care and offered additional support to address their pressing needs. Additionally, we stood in solidarity with the families who tragically lost their loved ones, expressing our deepest condolences and providing assistance to help them rebuild their lives and attain self-sufficiency. Our initiatives were driven by our commitment to alleviate their suffering and contribute to their long-term well-being.

DISASTER RELIEF

NILKHET FIRE

What we did

 **\$3,000**
CASH SUPPORT

 **13**
SHOP OWNERES COVERED

Despite Nilkhet traders experiencing a glimmer of recovery during the Ekushey Book Fair season after two challenging years of the pandemic, they find themselves grappling with a double blow due to this tragic event.

Why we did it ?

Nilkhet, a longstanding hub for the print, production, and distribution of books in Dhaka, and by extension, the entire nation, recently witnessed a devastating fire on February 22nd, 2022. The incident caused significant damage to at least 50 shops in the market, with 15 shops losing their entire stocks to the relentless flames.

We provided crucial aid to Nilkhet after the devastating fire, offering modest cash support to alleviate immediate burdens and express solidarity with affected individuals and businesses in their recovery.

DISASTER RELIEF

SYLHET FLOOD

What we did

\$15,000

TOTAL SPENT

202

FAMILIES COVERED

100

BAGS OF FOOD DISTRIBUTED

We provided

- ▶ Food support to 400 individuals
- ▶ Emergency rescue support to 50 families
- ▶ Roofing tin to 26 families for rehabilitation

We supplied 12 cows, 10 sewing machines, 2 boats with nets, and assistance to 2 individuals in setting up shops to help with long-term recovery.

Why we did it?

In May 2022, seasonal rains triggered severe flash floods, followed by a second wave in the latter half of June. Throughout the summer, the floods persisted, affecting approximately 7.2 million people in nine districts of Bangladesh, including Sylhet. The agricultural sector suffered extensive damage, with hundreds of thousands of hectares of land affected.

Sylhet experienced significant harm to its infrastructure, including roads and bridges. Moreover, over 106,000 water points were impaired, leaving numerous families without access to clean drinking water. This situation heightened the risk of waterborne diseases, such as cholera, which is endemic in Bangladesh.

DISTRICTS REACHED

Led by an internal medicine specialist, the clinic delivers a comprehensive range of medical services. These included health checkups catering to families, specialized screenings for diabetes and blood pressure designed for the elderly, sessions for physical therapy, guidance concerning arthritis and back pain management.

Accomplishment

In 2022, our campaign made significant strides. Over 5000 individuals benefited from our free treatment initiatives, while health awareness efforts reached around 7000 individuals. Notably, the campaign observed a rising influx of female patients seeking care. It's worth highlighting that numerous individuals grappling with chronic illnesses, who had been unable to access medical care or an extended period, have experienced recovery through consistent treatment provided by our free medical campaign. This accomplishment stands as a truly remarkable achievement for us.

PEOPLE SERVED

11
DISTRICTS REACHED

Our endeavors involved constructing sustainable ground platforms and strategically placing water wells in locations accessible to the community. Before making the water accessible to everyone, we conducted thorough checks to ensure its cleanliness, sterility, and absence of arsenic contamination.

Accomplishment

we implemented a project in Bangladesh where we installed deep water wells in various districts to ensure safe drinking water for communities without access to clean water sources. Our efforts include the construction of sustainable ground platforms and the placement of water wells at strategic locations for use by all. These water wells are installed by skilled technicians and tap deep underground water-sources, reducing the risk of contamination. Before releasing water to the public, we undergo rigorous testing to ensure its purity and safety.

RAMADAN FOOD BASKET

We distributed more than 100 food baskets to the Rohingya population residing in the refugee camp in Cox's Bazar. Each basket is designed to sustain a family of four for an entire month, containing essential provisions like rice, lentils, oil, onions, grams, sugar, and other necessities. The goal was to provide assistance to the vulnerable and economically disadvantaged Rohingya community, particularly during the month of Ramadan.

QURBANI

On Eid-ul-Azha 2022, we slaughtered 15 goats at the Rohingya Refugee Camp in Cox's Bazar. The most disadvantaged refugee population in the world. With utmost care, we distributed fresh meat to 200 families, aiming to bring joy and nourishment to those in need. Our mission was to spread happiness and uplift the spirits of these individuals, especially the children through the act of Qurbani.
